Subject: Course Content and Webinars to Help SUNY Faculty Move Online

SUNY Faculty and Staff,

Given recent developments we are reaching out to make sure all SUNY faculty are aware of the high-quality digital course materials and related instructional technologies available through SUNY’s Ready-to-Adopt Course Catalog. All of these offerings:

- Are available to SUNY students and faculty at NO COST
- Include ancillary materials (e.g. slides, assignments, test banks, etc.)
- Meet accessibility standards
- Seamlessly integrates with your Learning Management System (LMS)

Courses, which can be requested through the catalog, can be set up within a few minutes and customized to meet your own needs.

To assist faculty who need to move courses online, we will be offering a series of webinars which will provide an overview of the set up process and best practices for online delivery. Currently scheduled webinars include:

- Friday, March 13th: 10 am - 11 am [REGISTER]
- Friday, March 13th: 11 am - 12 noon [REGISTER]
