IITG Project Title

2015-Broome/MCC-Wade/O'hara-Leslie-MOOC Home Health Care Phase 2

Have you applied for, or received additional funds? (choose all that apply):

- Consider the project complete, and do not intend to seek additional support

Access Keywords: Enrollment, Diversity, Capacity, Affordability

This project will be a tremendous opportunity for us to offer Home Health Aide as a course(s) that will lead to a certificate and students will not have to purchase a textbook. The HHA program development is underway and we fully intend to use this course. This will be in a traditional college setting and a sister institution has already piloted a few modules successfully in their HHA program.

Completion Keywords: Completion, Persistence, Transfer, Retention

Our project will fully support the upcoming HHA program that will lead to a certificate.

Success Keywords: Applied Learning, Student Supports, Financial Literacy, Career Success

Our project has definitely supported international awareness. This projects has reached over 120 countries and regions; we have learners from all over the globe. Currently, there are over 5,818 total visitors, 955 active learners, and 99 course completers. The course has a rating of 4.6 out of 5 and a "like" rating of 99%.

Inquiry Keywords: Scholarship, Discovery, Innovation, Mentoring

We presented an overview from our findings that were based on reach, ratings, learners stories, at SUNY Broome Community College's Assessment Day. Assessment Day is open to all faculty and staff at the college.

Engagement Keywords: START-UP New York, Commercialization, Workforce Development, Alumni/Philanthropic Support, Community Service.

We believe this project has provided Philanthropic support to many of our learners by providing a free educational resource that has made a tremendous impact on their life. We have learners who have shared wonderful personal stories stating how they are better able to care for family members and friends who are in need of care.
